***Is your community prepared for a transportation hazardous materials incident?***

*The Erie County Local Emergency Planning Committee (LEPC) is pleased to announce the*

## **2005 Transcaer® Whistle-Stop Tour!**

**Monday, September 12, 2005  
9:00 a.m. - 3:00 p.m.  
Norfolk Southern Rail  
50 Bison Parkway  
Buffalo, NY 14227**

*Be a part of the TRANSCAER® Whistle-Stop Tour! The Tour is designed to increase community understanding of the importance of emergency planning, and to provide local emergency response groups an opportunity to receive some hands-on training and talk about additional training needs. Demonstrations and presentations will be focused on rail, truck, and chemical specific information. The tour offers a wonderful opportunity to help community members, distributors, and emergency responders to dialogue about transportation related topics. These discussions include topics such as Tank Car recognition and Managing a Hazardous Material Incident. All are invited to take part in this event.*
